## Bonus Lessons

Interested in learning about the latest advocacy happenings? Check out these two podcasts and my article on the Public Health Emergency.

*Fair warning*, my conversation with Heather is a bit wonky, so bear with us - but it gives great insight into **just how complex this advocacy stuff can get** and why it is so important to have someone like Heather who works on behalf of our profession every single day!

## MEET CLARICE

Clarice Grote is an occupational therapist and lived the transformation from guessing to confident by learning to understand policy.

She's the creator of The Amplify OT Podcast, Mastering OT Policy & Medicare, and the Amplify OT Membership.

She is passionate about spreading the word on the value of occupational therapy and proving to OTs and OTAs that they already have the skills they need to be *amazing* OT advocates.

*Hi there!* I'm so glad you're here! You're ready to make better discharge plans and highlight the value of *your* skills and knowledge!

I know how it feels to get overwhelmed with all the policies at work and feel like there is this invisible force trying to prevent me from being the OT I want to be.

Thankfully, you don't have to figure all this stuff out alone! Join the [Amplify OT Membership](#) community right here and now to start connecting with OTs, OTAs, faculty, and students like you!

The membership combines community with resources to help you grow as a practitioner and leader. Emerge as a confident clinician!
